| Experiences

Algerian Ministry of National Education - Highschool Teacher of English

02/09/2019 - 01/11/2024

As a highschool English teacher, my main responsibilities included developing lesson plans, teaching language skills, and assessing student progress. I also work on fostering life skills such as collaboration, critical thinking and communication abilities through a variety of language activities. I was able to increase student literacy rates among my students, and I could successfully implement technology-enhanced learning tools.

École Normale Supérieure de Constantine - English Lecturer & Teacher Trainer

20/09/2021 - 20/11/2024

part-time teaching at the ENSC involved regular pedagogical responsibilities such as lesson planning, lecturing, organising workshops, assessment, presentation and project monitoring etc. A variety of Modules was covered including Linguistics, Reading Techniques, Grammar, Oral Expression etc. The academic achievements reached within this pre-service teacher training institution were beyond expectations with a very positive feedback from both students and the department.

Oum el Bouaghi University - English Lecturer

September 2020 - January 2023

Teaching at the OEB university involved regular pedagogical responsibilities such as lesson planning, lecturing, organising workshops, assessment, presentation and project monitoring, syllabus design and lecture development etc. A variety of Modules was covered including Linguistics, Reading Techniques, Grammar, Oral Expression etc. The success and academic achievements reached within this institution were satisfactory with a positive feedback from both students and the department.

University of Constantine 3 - Training & Communication Specialist

September 2020 - January 2023

This part-time opportunity involved teaching English for Specific Purposes to international master's students in environmental science, as part of a collaboration with the Erasmus+ Program. Responsibilities included lesson planning and delivery, student assessment, and project supervision. The experience was marked by a high level of student engagement and consistently positive feedback.

École Normale Supérieure de Comptabilité et Finance Constantine - ESP Teacher

September 2022 - 20/11/2024

This part-time opportunity involved teaching English for Specific Purposes to three groups of first-year students as part of their core curriculum in economics, finance, and accountancy. Key responsibilities included lesson planning and delivery, student assessment, and project supervision. The experience was marked by excellent academic outcomes and encouraging student feedback. Currently teaching four senior classes preparing for graduation.

Bader School _ Private Institution - Primary and Middle School Teacher of English

22/09/2019 - 24/11/2024

Providing private English lessons and academic support to children aged 5 to 14. Employing a variety of materials, including commercial textbooks, exam topics, presentations, and engaging language activities. Achieving impressive learning outcomes over the years, with both parents and learners maintaining a positive attitude towards the classes and the progress made.

TEOL Dil Okulları, Samsun, Turkey - Teacher of English

25/11/2024 - present

Deliver dynamic and interactive English lessons tailored to diverse student needs and levels. Plan and structure lessons effectively, promote active participation, and foster an inclusive learning environment. Regularly assess progress, provide feedback, and maintain communication with parents using K12 application and CambridgeOne platform. Stay current with teaching methods and engage in professional development and collaboration.
